EVENT

FOILFEST is a 10 week training club for all classes of Foiling Dinghies. You can utilise all the facilities and sail through winter however it fits with your schedule, as it is only a 2hr (flight) commute from most major European Airports. Full safety cover and event management is provided by Provela which is open 7 days a week. We will organise everything from safety to courses for practice and race events. Whilst running beach clinics requested by the group each day.

RACING

Racing and training will be led by the group. With the sailors arranging the format and courses for that day with the race officer
